Thanks for Celebrating Our Diversity & Heritage!

Dublin, CA celebrated 150 years of education on May 20th and we joined in with a special potluck celebration recognizing the value of our diversity and heritage.

The Championship flag is once again on display in the dojang and we expect to train hard to retain it next year in order to make the flag a permanent addition to our array of awards. We all had great fun celebrating at the Tournament party too! Well done everyone!

New Black Belts

It is indeed a proud moment to see our students being promoted to Black Belt and we had a very special group of students reach this milestone this year.

I look forward to seeing them at our Black Belt Club where they will continue to develop and refine their skills and knowledge of the art of Kuk Sool Won. Congratulations to you all!

Black Belt Candidate Testing Run

The next Testing Run will be held on Sunday, August 27. DBNs eight stripes and higher are eligible for testing.

The previous testing run was demanding but successful and I was pleased to see how many students pushed themselves to complete this test.

Thanks to our Moms and Dads

We celebrated our Moms and Dads and recognised their contribution to your martial arts journeys by giving them a free week of classes. Well done to those who were brave enough to try it out!

Master Saidi's Message

Our Black Belt contingent is growing steadily and it's wonderful to see so many JKNs in our classes.

Our Little Dragons have graduated to regular classes and we will have a special fun "Summer Bash" introductory class for children aged 3 to 5 years old on July 22.

I hope that you will continue to challenge yourselves and practice your forms and techniques daily. Skills are only improved by regular training and hard work.

I hope that you all will enjoy a lovely Summer break.

For those of you who will be travelling I wish you safe and pleasant journeys.

Sincerely

Master Saidi
